

Room 1714

A missing-person case in a BGC condo. Medium • about 60 minutes • 2 or more players. Everyone plays, including the host.

WHAT YOU NEED

- This PDF, printed single-sided on A4 or Letter (black and white works)
- 3 envelopes or folders, tape, pens, scratch paper
- Everyone's phones (no app or account needed)
- Recommended: a laptop on the TV for the story, soundtrack and live events

PREP (10 MINUTES, BEFORE GUESTS ARRIVE)

1. Page 2 has labels **A, B, C**. Cut them out and tape one to each envelope.
2. Every later page shows **Envelope A, B or C** in its top-left corner. File each page in the matching envelope **without reading it**.
3. Seal B and C. Leave A closed on the table.
4. Laptop on the TV: open the case link, tap **Host a new game**, then **Make this the Command Screen (TV)**, then **Enable sound**.
5. Players scan the QR code on the TV, type a name and pick a role. Don't tap Start yet.

SET THE MOOD (OPTIONAL)

Dim the lights and use lamps. Caution tape on the door. Let the TV soundtrack run (rain and late-night city). Give each player a "detective badge" sticky note. Snacks the detectives earn by cracking each lead.

HOUSE RULES

Don't open an envelope until the app says so. Don't search the internet; everything you need is on paper. Everything in this case is fictional.

CASE APP

casenight.pages.dev/room1714/

This is a public link: anyone with the game code can join. Every phone and the TV stay in sync. No printer? Skip this pack: every document is also in each phone's Evidence tab.

RUNNING THE GAME

1. Tap **Start the case** on any phone. Lights down: a short story plays on the TV, then the clock starts. Open Envelope A.
2. Each role holds different evidence, so talk. Interrogate suspects in the app (each question costs a minute). Type answers into a phone; the app says when to open the next envelope.
3. **Live events:** the TV will throw pop challenges, team decisions and a blackout at you. Answer fast on a phone. Right answers add time; wrong or slow ones cost time.
4. Stuck 5+ minutes? Take a hint. Hint 3 gives the answer, so nobody stays stuck.
5. After Envelope C, file the final report. Then the true story plays on the TV.

Missing: Bea Ramirez

Saturday, October 24 · 12:52 AM · Altura Tower, Unit 1714, BGC

VOICE MESSAGE TRANSCRIPT

FROM: CARLA RAMIREZ (SISTER)

Thank you for coming. I didn't know who else to call.

Bea went live at 11:15 tonight like every Friday. Her stream just cut off at 11:49. She didn't answer my calls, so I drove over. I let myself in with my spare card at around 12:30.

The unit was locked. Her laptop is still on, her ring light is on, and her phone is on the desk. Her slippers are by the door, but her white sneakers are gone. No note. The concierge says nobody visited her and she never came through the lobby.

The police say an adult has to be missing 24 hours before they'll act. I can't wait that long. Bea told me this afternoon she had "something big" happening tomorrow before noon, and that she was nervous about it.

I've collected everything I could find. Please find my sister.

YOUR JOB

Work through the evidence as a team. The case app will ask you three questions, one per envelope. Each correct answer unlocks the next envelope. At the end, file your final report: **who**, **how**, and **why**.

ALTURA RESIDENTS APP • COMPLAINT #2214

FILED 23:44 BY UNIT 1715

"1714 is talking loud AGAIN on her live stream. I can hear every word through the wall. Something about toner. It's almost midnight. This is my 5th complaint."

Admin note: Will remind 1714 in the morning.

STATEMENT • ENZO LIM, UNIT 1715

TAKEN 00:50 BY CARLA

"Yes, I complained. Her voice came through the wall until about 11:50, then it finally stopped. A few minutes later my wife and I went down to P2 to buy cigarettes. The P2 kiosk was closed, so we drove to the gas station on 32nd and came straight back. P2 was empty when we left. I don't want trouble."

STATEMENT • RAF TAN, CONCIERGE

TAKEN 00:45 BY CARLA

"I was on my break from 11:30 to 11:45, but Nonoy was at the desk and the lobby camera would show anyone. Ms. Bea always passes the lobby and says hi. Tonight, no. Residents can take the elevator straight down to the parking though."

Bea's phone: call history

Found on her desk. Carla knew the passcode.
